STAT FROM :   
Acting Chief, Management Staff, ODP

SUBJECT : Proposed Amendment to Federal Procurement  
Regulations (FPR)

1. Attached is a proposed amendment to the Federal Procurement Regulations (FPR) regarding automatic data processing services procurement and contracting, and the General Services Administration's (GSA) Teleprocessing Services Program.

2. According to GSA, this proposed amendment does not change any major policy, but presents existing regulations more clearly.

3. Please review and send me your comments by 6 March 1981, so that I can provide a consolidated Agency reply to the General Services Administration.

MEMORANDUM FOR: ADP Control Officers

FROM :   
Security Officer, ODP

SUBJECT : Verification of Users of the VM System

1. Attached to this memorandum is a listing of personnel from your component with current access to the VM system.

2. A password change is scheduled to be undertaken in the very near future. Past experience with password changes had indicated that this listing may include individuals who have either resigned, retired, transferred or who are now performing duties which do not require access to the VM system. Your assistance in verifying the accuracy of the attached listing will help to reduce the administrative overhead associated with such a change.

3. Please review the attached list and report any discrepancies to  Customer Services Staff, ODP, GA-0507, extension  in writing by 6 March 1981. You may use the attached listing to delete or update. For any additional information, please contact me on extension
